EXPERIENCE

Network/Product Intern | Teamshares | Remote | August 2020 - Present
● *Gained hands-on experience in business development, operations, and strategy as a contributing member of a small, exciting startup. After proving my skills and work ethic, was moved to the Product team to work on software and solutions.*

Research Assistant | Yale Interactive Machines Group (First-Year Summer Research Fellowship) | Remote | Summer 2020
● *Worked on a human-computer interaction/artificial intelligence project with Professor Marynel Vázquez culminating in a published poster I'll be presenting at HAI 2020 and a paper submitted to CHI 2021. Work included UI and UX design, creating and supervising an online study, data analysis, and writing papers.*

Full Stack Developer | dcyphr | New Haven, CT | September 2019 - May 2020
● *Created and maintained the website for Yale student-run startup dcyphr, which aims to make scientific papers and research more accessible by publicizing summaries and related resources.*

Pierson Aide | Pierson College, Yale University | New Haven, CT | March 2020 - Present
● *Helped create and perpetuate a strong sense of community within Pierson, one of Yale's 14 residential colleges. Worked closely with the Head of College and his administrative staff in the college office and helped run college-sponsored events.*

Media Technician | Yale Student Technology Collaborative | New Haven, CT | October 2019 - February 2020
● *Assisted with the distribution and upkeep of media technology for students on campus.*

Ice Cream Scooper | Ample Hills Creamery | Brooklyn, NY | June 2019 - August 2019
● *Opened, closed, and staffed busy shop, interacting with customers (mainly tourists) and scooping ice cream.*

Peer Leader | Berkeley Carroll | Brooklyn, NY | August 2018 - June 2019
● *Selected from senior class to serve as a mentor for a group of incoming freshmen, teaching a class once a cycle.*
